## Journey's Kindergarten Sight Words

In Kindergarten, we learn many sight words throughout the year. Sight words can be thought of as words that students should know by sight, and many of these words can't be "sounded out." It's important to practice reading as well as writing these words. If you need assistance thinking of ways to practice sight words at home, feel free to reach out to me. If you search, "Fun ways to practice sight words," on Google (or even Pinterest!), you may also come up with some great ideas of your own!

Happy Sight Word Practice!
